

Good Morning,

I just wanted to let you know how much one of your Officers helped me out yesterday. I locked my keys in my car and he stayed with me, due to I was not in the best of neighborhoods, until help arrived and tried to help me the best he could. He was very nice, professional and makes me proud to have him serving on the force to protect us. I feel much safer that we have you guys working in Little Rock where I have to work. The Officer name was Officer Hudson.

THANKS AGAIN, I APPRECIATE YOU GUYS!
